Dear Permittee:

Please be advised that this e-mail constitutes approval and serves as Reissuance No. 3 of your existing WV/NPDES General Permit Registration No. WVR030033 issued October 9, 2014. After review and consideration of your NOI submitted on January 5, 2026, the subject application is hereby approved. You are now authorized to operate under WV/NPDES General Water Pollution Control Permit No. WV0116025 issued September 8, 2025.
The annual report shall be submitted to DWWM through our Electronic Submission System (ESS) once available, no later than October 1 each year. Until the electronic submission is available, continue submitting paper documents.

If you have any questions relative to this approval, please do not hesitate to contact Samuel "Jeff" Smith at (304) 926-0499 Ext. **43764** or by email at samuel.g.smith@wv.gov
